Benefits to Clients

Personal Attention to Your Needs

1st Employment team members are trained in identifying the attributes and skills you are looking for. We get to know all our clients well, so we can find the best candidates to not only do the job but to fit into their company culture. We can do this through a client profile and by working closely with them on a regular basis.

Excellent Testing

We use the top testing software available with over 800 specific skill assessments.

Ongoing Recruiting Program

Our search for qualified candidates is an ongoing process that ensures that we have a good supply of skilled and interviewed candidates ready when our clients have a need.

Payrolling Service

You choose your workers we do the rest.

Services We Provide

Short & Long Term Assignments

Selected qualified candidates can be utilized as temporary for an unlimited amount of time. Some companies bring on temporary employees for their busy season and projects.

Temp-to-Hire Program

Allows you to evaluate a candidate's job performance and contribution to your company. This also allows your company to control your unemployment and turnover expense. You can then make the decision whether to hire the candidate as an employee.

Direct Hire Recruiting & Placement

We'll find the right candidate you can bring on board for an open position in your company.

On-Site Partnership Program

A partner relationship for companies with 75 ongoing temporary associates allows for an on-site program. We provide a full-time on-site supervisor to work with both clients supervisors and temporary associates.
